From: Robert C. Haldiman

Date: January 15, 2002

Message: Dear Mark,

Your last Office Action from September 25, 2001 states on page 9 that the arguments made previously are not recited in the rejected claims. I believe the attached Amendments recite structure that is patently distinct over the Popat reference.

I hope it is convenient to review the attached proposed, draft Amendments and call me to discuss them.

Very truly yours,

Bob
